Municipal Ordinance No. 2025-03

Series of 2025

ADOPTING AND IMPLEMENTING REPUBLIC ACT NO.11148, ALSO KNOWN AS THE "KALUSUGAN AT NUTRISYON NG MAG-NANAY ACT" AND REPUBLIC ACT NO. 10028 OR THE "EXPANDED BREASTFEEDING PROMOTION ACT".

Author: Hon. Jonell G. Tria

Sponsored by: Hon. Jonell G. Tria and the Committee on Health

WHEREAS, the Republic Act No. 11148 aims to enhance the health and nutrition of mothers and infants through comprehensive programs that support maternal and child health, particularly during the crucial first 1,000 days of life;

WHEREAS, the Republic Act No. 10028 emphasizes the importance of breastfeeding and provides for measures that promote breastfeeding in workplaces and public places, ensuring that mothers have the necessary support to breastfeed their children;

WHEREAS, both Acts are designed to address malnutrition, improve the overall health of mothers and children, and contribute to the achievement of national health goals;

WHEREAS, the implementation of these laws requires collaborative efforts among local government units, health institutions, and various stakeholders to ensure access to nutrition services and breastfeeding support;

RESOLVED, as the body hereby resolve, to enact

SECTION 1: TITLE

This ordinance shall be known as **"Ordinance Adopting and Implementing the Kalusugan at Nutrisyon ng Mag-Nanay Act and the Expanded Breastfeeding Promotion Act."**

SECTION 2: DECLARATION OF POLICY

It is the policy of the State to promote and protect the health of mothers and children by ensuring access to adequate nutrition, health services, and education. The State recognizes the critical role of proper maternal nutrition and breastfeeding in improving child health outcomes, reducing mortality rates, and fostering overall societal well-being. Thus, the government shall:

- Promote comprehensive maternal and child health programs, emphasizing proper nutrition, breastfeeding practices, and family support systems.
- Ensure the availability and accessibility of essential health services, nutritional programs, and education for mothers and children.

3. Advocate for a supportive environment for breastfeeding in public and private spaces.
4. Foster partnerships with local government units, non-governmental organizations, and other stakeholders to implement effective strategies for maternal and child health.
5. Raise public awareness about the importance of breastfeeding and maternal nutrition through campaigns and educational programs.

SECTION 3: DEFINITION OF TERMS

For the purpose of this ordinance, the following terms are defined as follows:

1. **Kalusugan at Nutrisyon ng Mag-Nanay Act** - Republic Act No. 11148 aimed at improving maternal and child health through nutrition and health services.
2. **Expanded Breastfeeding Promotion Act** - Republic Act No. 10028 which promotes, protects, and supports breastfeeding practices in the Philippines.
3. **Breastfeeding** - The act of feeding an infant with milk from the mother's breast, recognized as essential for infant health.
4. **Maternal Nutrition** - The nutritional practices and dietary habits of women during pregnancy and lactation.
5. **Local Government Units (LGUs)** - Political subdivisions responsible for implementing health and nutrition programs at the community level.

SECTION 4: PURPOSE

The purpose of this ordinance is to ensure the effective implementation of Republic Act No. 11148 and Republic Act No. 10028 in the Municipality of Paluan, promoting the health and nutrition of mothers and infants.

SECTION 5: COVERAGE, FUNCTION, TARGET BENEFICIARIES.

This ordinance shall cover the territorial jurisdiction of Paluan, Occidental Mindoro.

1. Target Beneficiaries:

- Pregnant women and lactating mothers, particularly those belonging to vulnerable sectors, including but not limited to low-income families, indigenous peoples, and marginalized communities.
- Infants and children under the age of two (2) years, who are most susceptible to malnutrition and health risks associated with improper feeding practices.

2. Functions

• **Health Facilities:**

All public and private health facilities, including hospitals, clinics, and birthing centers, shall be required to implement breastfeeding promotion and maternal nutrition programs.

- **Community-Based Programs:**

Local Government Units (LGU) shall establish community-based programs that provide nutritional education, Breastfeeding support, and maternal health services to target populations.

- **Workplaces:**

Employers are encouraged to create breastfeeding-friendly workplaces by providing facilities for nursing mothers and implementing policies that support breastfeeding.

- **Educational Institutions:**

Schools and educational institutions shall integrate maternal and child health education into their curricula, promoting awareness of the importance of nutrition and breastfeeding.

- **Public Awareness Campaigns:**

The Local Government aided by the Rural Health Unit shall conduct nationwide information, education, and communication (IEC) campaigns to raise awareness about maternal nutrition and the benefits of breastfeeding.

- **Collaboration with NGOs:**

Non-governmental organizations (NGOs) and community-based organizations are encouraged to collaborate with government agencies to implement and monitor programs aimed at improving maternal and child health.

The Municipality shall seek partnerships with organizations to enhance the implementation of the provisions of this Ordinance and to adopt best practices from other countries.

SECTION 6: IMPLEMENTATION AND MONITORING.

The Rural Health Unit shall devise a system for ongoing monitoring and evaluation of the effectiveness of programs under this ordinance.

SECTION 7: FUNDING

The Municipality of Paluan shall allocate funds from its annual budget to support this program. Additional resources may be sought through grants, donations, and partnerships with external organizations.

SECTION 8: EFFECTIVITY CLAUSE

This ordinance shall take effect upon approval of the Sangguniang Panlalawigan.

SECTION 9: SEPARABILITY CLAUSE

If any provision of this ordinance is declared unconstitutional or invalid, the remaining provisions shall remain in full force and effect.

SECTION 10: REPEALING CLAUSE

All laws, decrees, orders, and regulations inconsistent with this ordinance are hereby repealed or modified accordingly.

NOW, THEREFORE, on motion of Honorable Jonell G. Tria and duly seconded by the members of the Sanggunian present, BE IT

ENACTED this 17th day of **February, 2025** during the regular session held at the Sangguniang Bayan Session Hall, Paluan, Occidental Mindoro.

organized based on ethical, cultural, scientific, religious or philanthropic considerations;

- A) Early Stimulation refers to the process where infants and young children receive external stimuli to interact with others and their environment. It provides different opportunities for the child to explore, develop skills and abilities in a natural way and understand what is happening around them. Examples of early stimulation are language, motor and sensory stimulation with the aim of optimizing their cognitive, physical, emotional and social abilities, to avoid undesired states in development;
- B) First one thousand (1,000) days of life refers to the period of a child's life, spanning the nine (9) months in the womb starting from conception to the first twenty-four (24) months of life, which is considered to be the critical window of opportunity to promote health and development and prevent malnutrition and its life-long consequences;
- C) Geographically Isolated and Disadvantaged Areas (GIDA) refer to areas that are isolated due to distance or geographical isolation, weather conditions and lack of modes of transportation. This also refers to unserved and underserved communities and other areas identified to have access or service delivery problems, high incidence of poverty, presence of vulnerable sector, communities in or recovering from situation of crisis or armed conflict, and those recognized as such by a government body;
- D) Low birth weight refers to weight at birth of an infant, whether born full term or preterm, of less than 2,500 grams or 5.5 pounds, or 5 pounds and 8 ounces;
- E) Malnutrition refers to deficiencies, excesses or imbalances in a person's intake of protein, energy (carbohydrates and fats) and/or nutrients covering both undernutrition which includes suboptimal breastfeeding, stunting, wasting or thinness, underweight and micronutrient deficiencies or insufficiencies, as well as overnutrition, which includes overweight and obesity;
- F) Moderate Acute Malnutrition (MAM) refers to low weight-for-length/height, defined as between two (2) and three (3) Standard Deviations (SD) below the median (<-2 up to -3 SD) of

Republic of the Philippines
PROVINCE OF OCCIDENTAL MINDORO
Municipality of Paluan

the WHO growth standards or a Mid-Upper Arm Circumference (MUAC) measurement of less than one hundred twenty-five millimeters (<125mm) and greater than or equal to one hundred fifteen millimeters (>115mm);

G) Nutrition-sensitive interventions and programs refer to interventions or programs that address the underlying determinants of maternal, fetal, infant and child nutrition and development, such as those pertaining to food security, social protection, adequate caregiving resources at the maternal, household and community levels; and access to health services and a safe and hygienic environment, and incorporate specific nutrition goals and actions. Nutrition-sensitive programs can serve as delivery platforms for nutrition-specific interventions, potentially increasing their scale, coverage, and effectiveness;

H) *Nutrition-specific interventions and programs* refer to interventions or programs that address the immediate determinants of maternal, fetal, infant and child nutrition and

OFFICE OF THE SANGGUNIANG BAYAN

- I) *Nutritionally-at-risk pregnant women* refers to pregnant women, including teenage mothers, with a low pre-pregnancy body mass index (BMI) or those who do not gain sufficient weight during pregnancy, with any of the following predisposing factors: narrowly-spaced pregnancies and births, situated in families with low income, with large number of dependents where food purchase is an economic problem, has previously given birth to a preterm or low birth weight infant, or other unfavorable prognostic factors, such as obesity or anemia, with diseases which influence nutritional status such as diabetes, tuberculosis, drug addiction, alcoholism and mental disorder;
- J) Overweight and obesity refer to the abnormal or excessive fat accumulation that may impair health. It is measured by BMI, a simple index of weight-for-height, which is commonly used to classify overweight and obesity among adults. BMI is calculated by dividing a person's weight in kilograms by the square of his/her height in meters (kg/m²). According to the WHO, adults with a BMI greater than or equal to twenty-five (25) are overweight and a BMI greater than or equal to thirty (30) is obese. For children, it is defined as the percentage of children aged zero (0) to fifty-nine (59) months whose weight for length/height is above two (2) SD (overweight) or above three (3) SD (obese) from the median of the WHO Child Growth Standards;
- K) Responsive caregiving refers to the method where the

caregiver pays prompt and close attention with affection to what the child is signaling and then provides a response that is appropriate to the child's immediate behavior, needs and developmental state;

- L) Severe Acute Malnutrition (SAM) refers to very low weight for length/height, defined as less than three (3) SD below the median (<-3SD) of the WHO Growth Standards, characterized by visible severe wasting, or by the presence of bipedal pitting edema, or a MUAC measurement of less than one hundred fifteen millimeters (<115mm); and
- M) Stunting refers to chronic undernutrition during the most critical periods of growth and development in early life. It is defined as the percentage of children aged zero (0) to fifty-nine (59) months whose height for age is below minus two (2) SD (moderate stunting) and minus three (3) SD (severe stunting) from the median of the WHO Child Growth Standards.

Section 7. Program Implementation - The DOH, in coordination with the NNC, the DA, the LGUs and other NGAs concerned, shall be responsible for the implementation of this Act. It shall be implemented at the barangay level through the rural health units and/or barangay health centers, in coordination with the Sangguniang Barangay. The Barangay Nutrition Scholars (BNS) and the Barangay Health Workers (BHWs) shall be mobilized and provided with resources and benefits to carry out their tasks.

Pleas note that ang LGU ay hindi pwedeng utusan ang National Offices. Please align this to the capacity of the LGU to implement.

The LGUs are encouraged to integrate maternal, neonatal, child health and nutrition programs in the local nutrition action plans and investment plans for health.

The NNC and other concerned NGAs shall provide appropriate technical assistance to respective LGU counterparts in the development, formulation, and implementation of this Act.

Section 8. Program Components -

The program shall include health and nutrition services and interventions provided at the different life stages. The LGUs, NGAs, concerned CSOs, and other stakeholders shall work together to ensure the delivery of these services and interventions.

A) Prenatal Period (First Two Hundred Seventy (270) Days). – Prenatal care services at the facility and

community level shall include, but not be limited to, the following:

1. Pregnancy tracking and enrollment to antenatal care services (ANC);
2. Regular follow up to complete the recommended minimum number of quality ANC care visits with proper referral for high-risk pregnancies;
3. Provision of maternal immunizations including tetanus and diphtheria toxoid vaccine, and other vaccines as appropriate;
4. Empowering women on the preparation of birth and emergency plans, and appropriate plans for breastfeeding and rooming-in, including counselling;
5. Counselling on maternal nutrition, appropriate infant and young child feeding practices;
6. Early identification and management of nutritionally at-risk pregnant women and pregnant adolescent females and provision of ready-to-use supplementary food (RUSF) in addition to dietary supplementation; (7) Provision of micronutrient supplements such as iron, folic acid, calcium, iodine and other micronutrients deemed necessary;
7. Promotion of the consumption of iodized salt and foods fortified with micronutrients deemed necessary;
8. Assessment of risk for parasitism and provision of anti-helminthic medicines;
9. Provision of oral health services including oral health assessment;
10. Counselling on proper hand-washing, environmental sanitation, and personal hygiene;
11. Counselling on nutrition, smoking cessation, and adoption of healthy lifestyle practices;
12. Counselling on, and utilization of, responsible parenthood and family health services;
13. Counselling on nutrition, smoking cessation, and adoption of healthy lifestyle practices;
14. Philippine Health Insurance Corporation (PhilHealth) enrollment and linkages to facility and community-based health and nutrition workers and volunteers;
15. Social welfare support to improve access to health and nutrition services, such as, but not limited to, dietary supplementation, healthy food products and commodities for nutritionally-at-risk pregnant women belonging to poorest of the poor families, including those with disabilities;
16. Maternity protection during pregnancy;
17. Counselling and support to parents and caregivers on parent/caregiver-infant/child interaction for responsive care and early stimulation for early childhood development;

- women and adolescent females belonging to poorest of the poor families; and
18. Provision of counselling and psychosocial support to parents and caregivers with priority to high-risk pregnant
 19. Others as may be determined based on international and national guidelines and evidence generated locally.

B) Women About to Give Birth and Immediate Postpartum Period. - Health and nutrition services at the facility and community level shall include, but not be limited to, the following:

1. Adherence to the couple's birth, breastfeeding, and rooming-in plans;
2. Provision of mother-friendly practices during labor and delivery in line with, and in compliance with, Mother and Baby-Friendly Health Facility Initiative (MBFHF), Republic Act No. 10028, otherwise known as the "Expanded Breastfeeding Promotion Act of 2009", Executive Order No. 51 or the "Milk Code", and other related administrative issuances of the DOH on maternal and newborn care;
3. Monitoring of the progress of labor and the well-being of both the mother and the fetus, and provision of interventions to any health issue that may arise;
4. Identification of high-risk newborns that will be delivered; the premature, small for gestational age (SGA), and/or low birth weight infants; and the provision of preventive interventions to reduce complications of prematurity or low birth weight;
5. Coverage and utilization of PhilHealth benefit packages for maternal care;
6. Nutrition counselling and provision of nutritious food and meals at the facility, most especially for women who gave birth to babies who are preterm, SGA, or low birth weight, until discharged;
7. Provision of lactation management services to support breastfeeding initiation and exclusive breastfeeding for six (6) months, most especially for caesarean deliveries, and thereafter until discharged;
8. Counselling on proper hand-washing, environmental sanitation, and personal hygiene;
9. Counselling on, and utilization of, modern methods of family planning and access to reproductive health care services, as defined in Republic Act No. 10354, otherwise

Donations of milk formula, breastmilk substitutes, and/or products covered by the Milk Code without the approval of the Inter-Agency Committee (IAC) created under Executive Order No. 51, Series of 1986, shall be prohibited in order to protect the health and nutrition of

pregnant and lactating women, infants and young children before, during and after a disaster.

In emergency situations, donations or assistance from the private sector, with no conflicts of interest or those not involved with manufacture, marketing, and sales of products covered by the scope of the Milk Code, shall be allowed immediately in the aftermath of natural disasters and calamities. Strict compliance with the Milk Code and its revised implementing rules and regulations (IRR) shall be observed, and options for mothers with breastfeeding problems will be provided, such as, but not limited to, the mobilization of breastfeeding support groups or strategic establishment of local milk banks.

The DOH and other relevant departments, in coordination with the National Disaster Risk Reduction and Management Council (NDRRMC), shall formulate guidelines and mechanisms in pursuit of this section, taking into consideration humanitarian, inclusive, gender and culture-sensitive standards for the protection of children, pregnant and lactating mothers, in accordance with Republic Act No. 10821, otherwise known as the "Children's Emergency Relief and Protection Act", its implementing rules and regulations, and the Comprehensive Emergency Program for Children.

Section 12. Capacity-Building of Barangay Health and Nutrition Volunteers. - The DOH and the NNC, in coordination with LGUs, shall provide practical and effective training courses to BNSs, BHWs, and other personnel concerned to upgrade their skills and competence in the implementation of the services and interventions for the health and nutrition of women and children.

Section 13. The National Nutrition Council (NNC) Governing Board. - The NNC Governing Board shall be composed of the following:

- a. Secretary of the DOH as the *ex officio* Chairperson;
- b. Secretary of the DA as the *ex officio* Vice Chairperson;
- c. Secretary of the Department of the Interior and Local Government (DILG) as the *ex officio* Vice Chairperson;
- d. Secretary of the DepEd;
- e. Secretary of the Department of Social Welfare and Development (DSWD);
- f. Secretary of the Department of Trade and Industry (DTI);
- g. Secretary of the Department of Labor and Employment (DOLE);
- h. Secretary of the Department of Science and Technology (DOST);
- i. Secretary of the Department of Budget and Management (DBM);
- j. Secretary of the National Economic and Development Authority (NEDA); and
- k. Three (3) representatives from the private sector to be appointed by the President who shall come from any of the following: (1) health and nutrition professional organizations; (2) women sector; (3) farmer and fisherfolk; (4) urban poor; (5) organization or association of community health workers or BNS; (6) CSOs; and (7) academe and research institutions. Said representatives shall serve for a term of two (2) years.

The heads of departments may be represented by their duly designated representatives who shall be of a rank not lower than an Assistant Secretary.

Persons from the private sector with conflicts of interest, especially as described in Executive Order No. 51, Series of 1986, are prohibited from being members of the Council.

The composition of the NNC's Secretariat and Technical Committee as defined in Executive Order No. 234, series of 1987, "Reorganizing the National Nutrition Council" shall be maintained.

Section 14. Functions, Roles, and Responsibilities of the NNC. – The NNC, the highest policy making and coordinating body on nutrition, shall have the following functions and powers:

- A. Formulate national nutrition policies, plans, strategies and approaches for nutrition improvement, including strategies on women, infant and young child, and adolescent nutrition;
- B. Oversee and serve as a focal point in the integration of nutrition policies and programs of all member agencies and instrumentalities charged with the implementation of existing laws, policies, rules and regulations concerning nutrition;
- C. Coordinate, monitor and evaluate nutrition programs and projects of the public and private sectors and LGUs to ensure their integration with national policies;
- D. Receive grants, donations and contributions, in any form, from foreign governments, private institutions and other funding entities for nutrition programs and projects: *Provided*, That no conditions shall be made contrary to the policies or provisions of this Act;
- E. Coordinate the joint planning and budgeting of member agencies to ensure funds for relevant nutrition programs and projects; to secure the release of funds in accordance with the approved programs and projects; and to monitor implementation and track public expenditure on these programs; and
- F. Call upon any government agency and instrumentality for such assistance as may be required to implement the provisions of this Act.

Section 15. Role of NNC Member Agencies, Other NGAS and LGUs. - Member agencies shall be responsible for ensuring the implementation of programs and projects, development of promotive, preventive and curative nutrition programs, and integration of health and nutrition concerns into their respective policies and plans. It shall provide additional resources in any form, including technical assistance,

Section 17. Monitoring, Review and Assessment of the Program. - The NGAs and LGUs concerned shall regularly monitor, review and assess the impact and the effectivity of the program in consultation with their stakeholders.

Section 18. Appropriations. - The amount needed for the initial implementation of this Act shall be charged against the appropriations of the DOH, DA, NNC and other relevant agencies. Thereafter, such sums as may be necessary for the continued implementation of this Act shall be included in the annual General Appropriations Act (GAA).

The DBM, in coordination with the Department of Finance (DOF), DOH, DA, NNC and other relevant agencies shall consider the prevalence of malnutrition and child mortality in determining the annual appropriations for the implementation of this Act.

Priority LGUs identified by the NNC shall be eligible to receive from concerned NGAs supplementary funds necessary for the implementation of this Act. *1awphi1* Said subsidy shall be included in the GAA.

Section 19. Implementing Rules and Regulations (IRR). - Within ninety (90) days from the effectivity of this Act, the DOH shall, in coordination with the NNC Governing Board, and in consultation with stakeholders in the public and private sectors, promulgate the IRR necessary for the effective implementation of this Act.
